Areca Palm Leaf Trays

Versatile presentation and serving formats designed to complement the Foliware dinnerware range. Features three working formats for global culinary needs: a 15.5"×10" large tray for buffets, charcuterie, and sharing platters; a 9"×6" deep tray ideal for gravies, pasta, entrees, and meal boxes; and a 6.5"×4.5" snack tray for starters, sides, and single servings.

Areca Leaf Bowl

Designed for side dishes, soups, sauces, gravies, desserts, and small portion servings. Heat-pressed from naturally shed areca palm leaf sheaths using only heat and water — completely free from dyes, artificial coatings, or added chemicals. Certified and batch-tested for international food safety compliance.

Reinforced Traditional Leaf Line (Heavy-Duty Catering)

Inspired by traditional large-format meal serving (Pattal, Patravali, Vistharaku), engineered specifically for heavy, high-moisture, and oily meals with zero leakage.

Traditional Hand-Stitching: Assembled using natural leaf ribs, twigs, or bamboo pins (zero synthetic threads or glues).

12" Reinforced Traditional Meal Plate

PL12RFRD

Ø30cm | 25mm D

3-Layer Composite Build:

- 1.Top Layer:** Natural leaf food-contact surface.
- 2.Middle Layer:** Food-grade LDPE-coated kraft paper moisture and oil barrier.
- 3.Bottom Layer:** 3-ply carton backing for heavy load-bearing strength.

Functional Advantage: Thermal insulation for hot foods, zero sogginess, and heavy-duty load support for Indian feasts and HORECA.

Contract Manufacturing & White-Label Partnerships

Why Contract Manufacturing

Scale effortlessly through reliable, year-round FCL fulfillment, custom white-label branding, and dedicated back-end production for global and domestic markets.

Tailored Manufacturing Compliance

We build to your specifications. Since final market compliance is managed on your side, we collaborate closely to co-develop, adopt, and maintain any necessary supplier-end protocols required for your distribution channels.

Ordering and specifications

Minimum Order

Minimum Order: 1 Carton
(Single-carton orders accepted for domestic buyers)

Export Support

LCL and FCL Shipping Available

Shelf Life

24+ months, (dry storage)

Standard pack holds 25 units. Carton composition varies by format: square plates 12 packs (300 units), 4" bowl 24 packs (600 units), 12" reinforced 12 packs (240 units). Supply markets: India, UAE and GCC, EU, UK, Australia and New Zealand.

ISO 22000:2018 | ISO 9001:2015 | NABL-Tested | IEC Registered Export Ready | Udyam MSME Registered
